2310. SHRI SAMAR MUKHERJEE: Will the Minister of STEEL AND MINES be pleased to state:

(a) whether it is a fact that while issuing appointment lettes to the newly recruited stenographers for the branch offices of CMO the SAIL Management have incorporated a clause in the said appointment letters to the effect that they have to work for eight and a half hours including an hour lunch recess instead of seven hours which is prevalent for existing similar staff.

(b) whether the management totally ignored the concerned reorganised union while making such gross change of service condition of a part of the non-executive employees;

(b) if so, whether it is a fact that the recognition was granted to the above Coordination Committee to deal with all policy matters governing the service conditions of the employees;

(c) whether it is also a fact that recently the management of CMO started negotiations with local branch unions of CMO on policy matters like increase in working hours, computerisation etc., ignoring the recognised All India Coordination Committee;

(d) if so, whether it amounts to unfair labour practices unworthy of a public sector management; and

(e) whether instructions are being issued to CMO management to give up the above practice and to deal with the All India body with regard to policy matters governing the service conditions etc.?

THE MINISTER OF STEEL AND MINES (SHRI M. L. FOTEDAR): (a) The All India Coordination Committee (AICC) of SAIL employees Unions is one of the recognised bodies of CMO, SAIL. The percentage of employees represented by the AICC has not been established or computed.

(b) The recognition granted in 1978 to AICC was only as negotiating agent on behalf of specified recognised unions on general issues of an all India nature only.

(c) AICC has not been ignored in negotiations on matters of increase in working hours, computerisation etc. Discussions on these issues have been conducted with AICC for nearly two years now. However, for optimum utilization of human resources and improving efficiency, negotiations were recently held with some recognised branch unions, and Tripartite settlements, where arrived at, are made applicable to the concerned branch employees only.
